inform with care

Session Objectives

- ⦿ Showcase work of the Consumer Information Programme of the One Planet network
- ⦿ Showcase the Consumer Information Programme as a strong network of actors progressing towards SDG 12 through the spirit of collaboration, linking-up to scale-up and ongoing promotion of SCP (sustainable consumption and production)
- ⦿ Illustrate the importance of reliable and accessible consumer information as a useful tool for encouraging sustainable consumption with links to the Guidelines for Providing Product Sustainability Information (UNEP & ITC, 2017). Different forms of consumer information will be presented in the session.
