## Session Objectives

Engage eminent scholars and economist in discussion on “Ensuring sustainability and resilience of economic enterprises of the poor women” to discuss and deliberate upon

- ⦿ Business models that integrate informal workers higher into the value chain - thus build an Economy of Nurturance - as against an economy that thrives on cut-throat competition
- ⦿ Role of informal workers as central in the peace building process
- ⦿ Bringing about a shift in approach of various stakeholders from one that looks at engaging with the informal workers as a gesture of generosity to act of justice
